

Personal data: rođen 5.4. 1964 in Maribor, Slovenia

Postgraduate studies:

1989- University of Maribor, Faculty of Mechanical Engineering

MS degree 1994 in the field of classical and statistical thermodynamics

PhD degree 1999 in the field of statistical thermodynamics

2000-2009 Assistant Professor

2009 Associate Professor

Employment:

1988-1994 in TAM (manufacturer of diesel engines and trucks) in 1989, where he was involved in the field of diesel engine mechanics and thermodynamics.

1994- 2003 in University of Maribor, Faculty of Mechanical Engineering as Assistant Professor in the field of thermodynamics and refrigeration

2003- 2008 University of Maribor, Faculty of Mechanical Engineering as Assistant Professor in the field of mechanics and thermodynamics

2008-University of Maribor, Faculty of Energy Technology as Associate Professor

Dr. Jurij Avsec is a Associate Professor and the member of Faculty of Energy Technology at the University of Maribor in Maribor, Slovenia. His research interests involve equilibrium mechanics, nonequilibrium mechanics, nano and micro mechanics and non-linear vibrational theory. Dr. Jurij Avsec received his Ph.D. in mechanical engineering from the University of Maribor, Maribor, Slovenia in 1999
