

CURICULUM VITAE

Mira PETRONIJEVIĆ

born 07. 11. 1952, Užice, Srbija, Jugoslavija
business Faculty of Civil Engineering University of Blegrade
address Bulevar kralja Aleksandra 73, 11000 Beograd, Srbija
phone +381 11 32 18 552

Education

1971-1977 Faculty of Civil Engineering, University of Blegrade, Dipl. Eng.
1984 Faculty of Civil Engineering, University of Blegrade, MSc
1993 Faculty of Civil Engineering, University of Blegrade, PhD

Work experience

1977-1979 Engineer "ENERGOPROJEKT", Beograd, Srbija
1979-1985 Teaching assistant, Faculty of Civil Engineering, University of Blegrade
1985-1993 Senior Teaching assistant, Faculty of Civil Engineering, University of Blegrade
1993-2001 Asistant Professor (Docent), Faculty of Civil Engineering, University of Blegrade
2001 Associate Professor, Faculty of Civil Engineering, University of Blegrade

Teaching on other faculties in the country and abroad

1992/93 Faculty of Civil Engineering Subotica, University of Novi Sad, Lectures in Structural Analysis
1996– 2000 Faculty of Civil Engineering University of Podgorica, Lectures in Structural Analysis
1998– 2004 Faculty of Civil Engineering University of Banja Luka, Lectures in Theory of Structures I
2005 University Sent Kiril and Metodius, Skopje, Republic of Macedonija, Lectures in *Dynamic Soil-Structure Interaction* on PhD structure SEEFORM (together with Prof. Guenther Schmid)

Fields of teaching and research

Structural Analysis, Dynamic of Structures, Soil-Structure Interaction, Traffic induced vibrations

Other activities

2004-2006 Vice Dean, Faculty of Civil Engineering University of Blegrade
2004-2006 Director of International MSc course *Computational Engineering* at the Faculty of Civil Engineering, University of Blegrade (in the frame of the International Project DYNET).
