

Dr.-Ing. Christian Weißenfels

Gottfried Wilhelm Leibniz Universität Hannover
Institute of Continuum Mechanics
Appelstr. 11
30167 Hannover

Phone: +49 511 762-17559
Fax: +49 511 762-5496
Email: weissenfels@ikm.uni-hannover.de

Personal data

Date of birth: 30.01.1979
Place of birth: Rosenheim, Germany

Education

2012 Dr.-Ing. (Mechanical Engineering), Leibniz Universität Hannover, Thesis: „Contact methods integrating plasticity models with application to soil mechanics”

2004 Dipl.-Ing. (Civil Engineering), Technical University München, Thesis: „Coupling of maglev vehicle with elastic track: Control unit design, algorithm and simulation”

1998 Graduate Certificate, Ludwig-Thoma Gymnasium, Prien am Chiemsee

Professional appointments

Since 2013 Post-doctoral researcher at the Institute of Continuum Mechanics, Leibniz Universität Hannover

2008 - 2012 Assistant at the Institute of Continuum Mechanics, Leibniz Universität Hannover

2006 - 2008 Assistant at the Institute of Mechanics and Numerical Mechanics, Leibniz Universität Hannover

2005 Employee at DaimlerChrysler AG, Sindelfingen

2003 – 2004 Research assistant at the Institute of Structural Mechanics, Technical University München
